## PROFESSIONAL SUMMARY

Entry-Level Python Full Stack Developer experienced in building scalable backend systems, Django REST APIs, and relational databases. Skilled in delivering data-driven web applications with responsive user interfaces and integrated automated intelligence models. Detail-oriented problem solver focused on performance optimization, workflow automation, and collaborative software engineering.

## TECHNICAL SKILLS

| | |
|---|---|
| **Languages:** | Python, C, C++ |
| **Frontend:** | HTML5, CSS3, JavaScript, Bootstrap |
| **Backend:** | Django, REST APIs |
| **Databases & Tools:** | MySQL, SQLite3, VS Code, Git |

## PROFESSIONAL EXPERIENCE

**Python Development Intern - Ascox Technosoft Solutions, Madurai** 1 Month

- Architected an AI-driven Personal Finance Tracker application utilizing Python and the Django framework to parse user inputs and automate recommendations.
- Engineered multi-channel data ingestion modules allowing users to run manual updates or execute bulk Excel data uploads seamlessly into an SQLite3 backend layout.
- Integrated interactive visualization charts and a logic-driven chatbot layer, reducing user metrics analysis time and boosting overall workflow automation metrics.

## PROJECTS

**Attendance Management System**

- Designed a lightweight, system-native attendance tracking pipeline using dynamic linked structures for optimized memory consumption.
- Programmed custom operational algorithms for record execution, live updates, and search protocols, achieving highly efficient record retrieval parameters.

## EDUCATION

**Francis Xavier Engineering College** 2025 – 2027
Master of Computer Applications (MCA)
CGPA: 8.7/10

**St. Xavier's College** 2022 – 2025
Bachelor of Science in Physics (B.Sc.)
CGPA: 7.75/10

## PUBLICATIONS & CERTIFICATIONS

- **Research Publication:** Authored and presented a technical research paper at the 2nd International Conference on Recent Innovation in Life Sciences (ICRILSH-2026).
- **Certification:** Completed NPTEL Course on Cloud Computing - Secured Elite + Silver (Score: 78%).
